

## **GUIDELINES FOR ONLINE ADMISSION AND PAYMENT, 2018**

**Online Admission:** After appearing in the counseling session, you will be informed about your selection for admission or otherwise.

**Online payment:** If you are selected for admission, you are to complete the admission process by paying the required fees online within 48 hours from the midnight of the date of counseling, which is mandatory. If a candidate failed to make payment within stipulated time his candidature for admission will be forfeited.

**How to make online payment:** Go to **New admission** under **Online Admission Portal. Click New Admission**

Type Application Form No (Received in mobile by SMS during application submission).

Next click on **Submit** to get validation code (OTP) in mobile. Put the validation code and you will be redirected to fees amount Page.

Select the **fees** & click on **Pay Online button** to pay the Admission Fee.

Get a printout of the **receipt** and submit the college copy in the office of the college.

Keep student copy **safely**, it may be required at any time during your stay in this college.
